Merry Christmas ... Sound Strange?

MERRY CHRISTMAS! SOUND STRANGE? I started thinking and writing this article after talking with Rev. Davis about her doing another worship service on Christmas in July. So, I started putting down some of the thoughts, found in this article, on the 18th of April.

Before Christian tradition was hijacked by modern secular culture, Christmas was a joyous 12-day celebration after December 25, concluding with "Twelfth Night" on January 5 and Epiphany on January 6. Whatever

you may think about the pros and cons of the Christian calendar in general, the twelve days of Christmas provide an important message for us ...the meaning of Christmas needs to continue to live in our hearts, minds, and lives long after December 25.

The hope, peace, joy, and love we pray for as we light the candles of the Advent Wreath are meant to live in our hearts ALL YEAR LONG!

The Christ Candle that we light at the center of the Advent Wreath proclaims the gift of Jesus not just on December 25th but ALL YEAR LONG!

The candle light we carry out of the sanctuary on Christmas Eve represents the light of Christ shining in and through his people ALL YEAR LONG!
The wise men kneeling at the feet of Jesus with precious gifts represent you and me—offering

our worship and gifts to our Lord
ALL YEAR LONG!

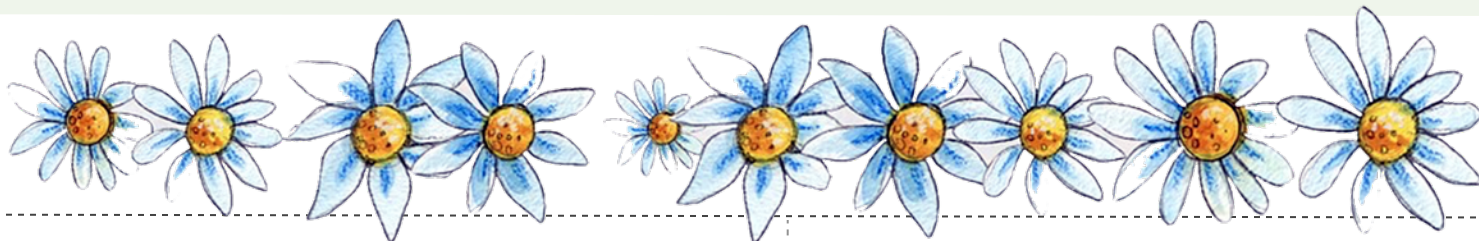

My point is simple... we need to celebrate Christmas ALL YEAR LONG! Maybe this is best described in the beloved hymn "Lord of the Dance" ... the dance that came to earth on Christmas!

*I danced in the morning when the world was begun,
And I danced in the moon and the stars and the sun,
And I came down from heaven and I danced on the earth.
At Bethlehem I had my birth.*

*Dance, then, wherever you may be;
I am the Lord of the Dance, said he.
And I'll lead you all wherever you may be,
And I'll lead you all in the dance, said he.*

Peace,

United Methodist Women Spring Tea!

Please join us on Sunday, June 4th, in the Parlor at 3:30 p.m.
ALL women of the church are invited to attend and outside guests are very welcome!
Afternoon dress and hats are encouraged, but not required.

The UMW named this the Gail Economy Memorial Tea because our spring tea tradition began using tea cups that Gail had given to her daughters and granddaughters over many years.

This year we will be collecting a free-will offering which will allow us to help others in need.

Our event includes tea, lemonade, light finger-food, and a program by Caroline Urban from Lakewood, titled: "Every Apron has a Story".
She has a huge display of every style and every fabric you've ever heard of.

Please RSVP (on UMW bulletin board by the pastor's office or by calling the church office at 440-331-9433) by Thursday, June 1st to ensure that adequate refreshments and seating are prepared. Also, please sign up if you'd like to bring place settings for 4/@4 cups & saucers, dessert sized plates, and cloth napkins.

Thank you,
Pam Faup

We are always accepting donations of shoeboxes and baggies. Please note: The suggested donation to cover shipping is now \$9 per box. GRADUATES!

Don't forget to contact the office with the name of your High School or College Graduates! Please let us know by June 20th!

Drama Ministry!

Drama is a great way to "visualize" the Word of God. Rockport's Drama Ministry is a worship ministry that uses the special gifts of individuals at Rockport to communicate God's message through drama. We use these gifts from God for His Glory to present dramas through small skits, monologues, reader's theater and cantatas.

If you have an interest in showing God's message through drama, we are looking for actors of all ages. Everyone is welcome, whether you have years of experience or just want to try something new. Please sign up on the bulletin board in the chapel hallway or contact Shawn and Jennifer Rowen at yennynzippy@sbcglobal.net.

Meetings will be held in the Parlor (or other available room) the second Saturday of every month at 9AM. Hope you can join us!

"Why don't streetlamps have ears?"

Thought for the Month

"Mom!" my 3-year-old self hissed at 6 a.m. "Why don't streetlamps have ears?" My mom later wrote (in a 1974 article) that she peered at me sleepily, silently asking a question of her own: "Seriously?!"

That year I amused — and exasperated — my parents with countless questions: "Why did sister leave one shoe here and one there?" "If God is up in heaven, how did he make the grass?" "Why are dandelions yellow?" To that query, Mom replied, "I guess that's how God wanted them" — and wrote, "In our house, we let God answer many of our questions."

I still have questions: Why is my dynamic young friend dying of cancer? Why are a parent's own children sometimes hard to love? How can we end war, poverty, sex trafficking? Should we donate money or save for college? How, exactly, does salvation work? Sometimes science or professionals are God's instruments to answer my questions. Sometimes answers come quietly to my heart — and sometimes they don't come at all.

Faith doesn't mean never questioning. It means trusting enough to ask, even when a question seems silly or pointless. Thanks, Mom and Dad, for teaching me by your loving example that God always welcomes my questions.

And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates." ~ Deuteronomy 6:4-9

Our Bethlehem Bazaar booths will be free to the public. We will have crafts, snacks, etc.

Dear Members of Rockport United Methodist Church,

Included in this Rockporter is information about the Special Olympics Ohio 2017 Plane Pull. Yes, you read it right PLANE PULL. The community of Rockport United Methodist Church hopes to create two teams:

Holy Rockport Pullers (Co-Ed)
Holy Rockport Ladies (Women's)

We will pull a Boeing 737 to benefit Special Olympics Ohio, on Saturday, July 15; (time will be announced when available.) We are actually very good at pulling planes. We have been known to win trophies. Everyone's a winner though because supporting Special Olympics Ohio is a privilege.

Team sign-up sheets and waivers will be coming soon to the Trail Table. Information about donating to Special Olympics Ohio through our website (rockportumc.org) will be available soon.

Additionally, you are warmly invited to come cheer us on. It is a FAMILY FRIENDLY EVENT so bring everyone out to the runway to cheer us on. Enjoy food, fun, and kids will even have a chance to participate in their own Plane Pull.

Special Olympics Ohio believes that through sports training and competition, people with intellectual disabilities benefit physically, mentally, socially and spiritually; families are strengthened; and the community at large, both through participation and observation, is united with people with intellectual disabilities in an environment of equality, respect and acceptance.

God calls us to affirm equality, respect, and acceptance. The Plane Pull offers us an opportunity to stand with all people. Join us at the Plane Pull.

Peace,

Valerie Norris
Director

8th Annual Cleveland Plane Pull® to benefit Special Olympics Ohio. This event is the ultimate test of strength. It will test teams of up to 20 to see how fast they can pull a plane for time. This event is hosted by Cleveland Hopkins International Airport.

The mission of Special Olympics Ohio is to provide year-round sports training and athletic competition in a variety of Olympic-type sports for individuals with intellectual disabilities by giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

Special Olympics is founded on the belief that people with intellectual disabilities can, with proper instruction and encouragement, learn, enjoy and benefit from participation in individual and team sports, adapted as necessary to meet the needs of those special mental and physical limitations.

Special Olympics Ohio believes that consistent training, with emphasis on physical conditioning, is essential to the development of sports skills, and that competition among those of equal abilities is the most appropriate means of testing these skills, measuring progress and providing incentives for personal growth.

Special Olympics Ohio believes that through sports training and competition, people with intellectual disabilities benefit physically, mentally, socially and spiritually; families are strengthened; and the community at large, both through participation and observation, is united with people with intellectual disabilities in an environment of equality, respect and acceptance.

Special Olympics Ohio believes that every person with an intellectual disability who is at least eight years old should have the opportunity to participate in and benefit from sports training and competition.
